

Put the zap back into volunteer groups

Passion Mashin'

-  Grow your membership
-  Harvest a crop of fun activities
-  Simple, low-cost ideas to spread the message
-  Win the hearts and minds of new supporters

Passion Mashin' is a fun and illuminating workshop that demonstrates how to harness the power of reinvention to spark new zest and enthusiasm in volunteer groups. Hear exciting engagement ideas and have a chance to share our own. We'll also create a great pitch to touch the hearts and minds of potential new members.
